How it works

The screenshot shows a user profile for 'BUSINESS' with a photo of a woman. Below the photo is the title 'Art Director'. To the right, there are three horizontal bar charts showing voting results for 'Competent', 'Likable', and 'Influential'. Each chart has four categories: 0 / NO, 1 / SOMEWHAT, 2 / YES, and 3 / VERY. The 'Competent' chart shows 0 votes for NO, 2 for SOMEWHAT, 14 for YES, and 4 for VERY. The 'Likable' chart shows 0 votes for NO, 2 for SOMEWHAT, 11 for YES, and 3 for VERY. The 'Influential' chart shows 3 votes for NO, 3 for SOMEWHAT, 11 for YES, and 3 for VERY. A tooltip points to the 'Likable' chart, stating: 'This voter rates a bit low, so this value was adjusted for your Scores.'

Category	0 / NO	1 / SOMEWHAT	2 / YES	3 / VERY
Competent	0 VOTES	2 VOTES	14 VOTES	4 VOTES
Likable	0 VOTES	2 VOTES	11 VOTES	3 VOTES
Influential	3 VOTES	3 VOTES	11 VOTES	3 VOTES
